Inhaltsverzeichnis

Executive summary

1. Introduction

2. Methodology

2.1 Refining the list of factors

2.2 Identifying indicators

2.3 Developing an assessment methodology for 2012 factors

2.4 Methodology for factor projections up to 2050

3. Factor assessment

3.1 Factor assessment for 2012

3.2 Factor Foresights for 2020, 2030 and 2050

4. Low-carbon Energy Security Narratives

4.1 German narratives

4.2 Italian narratives

4.3 Polish narratives

4.4 European narratives

5. Summary

6. Annex
