Altner, GÄnter et al. 2004: Jahrbuch Ökologie 2005. Munich: C.H.Beck.

The Yearbook Ecology 2005 will be published at the end of September 2004. Ecologic is one of the institutes supporting this yearbook. This year's focus is on Renewable Energy, Resource Conflicts, and Sustainable Economy.

The Yearbook Ecology:

- informs about the ecological situation and trends in several sectors of the natural environment,
- analyses and criticizes public and international environmental policy,
- offers a discussion on important environmental issues,
- documents historical environmental events and initiatives,
- describes best-practice-examples and drafts visions for a sustainable world,
- is directed to an environmentally conscious public that searches for sustainable ways of interacting with nature,
- is dedicated to a broad understanding of ecology that includes the day-to-day relationship of human beings, nature, society and the environment.
