Piotrowski, Ralph; R. Andreas Kraemer 1998: Financial Capacity of the Water Sector and Water Prices in Europe – A Comparison. Paper in the Research Project "Interactions between the Management of the Urban Water Cycle and Environmental Technologies in a Sustainable Development Perspective".

### Language

English

### Authorship

Dr. Ralph Piotrowski  
[R. Andreas Kraemer](#)

### Funding

European Commission, [Directorate-General Research](#) (DG Research), International

### Year

1998

### Dimension

18 pp.

### Project

[Research, Development and Water Management Systems in the Context of Sustainable](#)

[Development](#)

**Project ID**

[960-03](#)

**Table of contents**

- 1 Introduction and Summary
- 2 Background
- 3 Motivation
- 4 The Work Programme
- 5 Similarities and Differences
- 6 Germany as the Starting Point
- 7 Costs as the Basis of Tariffs and Prices
- 8 Cost-Recovery and Subsidies
- 9 Subsidies and Water Prices
- 10 Cost of Raw Water Quality and Source Protection
- 11 Taxes and Rates as Cost Factors
- 12 Quality of the Water Supply
- 13 Data quality
- 14 Comparison of Water Prices in Europe
- 15 Conclusions
