
Alignment of Ongoing Processes in a Socio-technical Regime

Publication

[Infographic](#)

Citation

Kaphengst, Timo; BeĀĭta VargovĀĭ (2013): Alignment of Ongoing Processes in a Socio-technical Regime. Infographic (adapted from Geels 2011) published in: Kaphengst, Timo und Eike Karola Velten (2014): Energy Transition and Behavioural Change in Rural Areas - The Role of Energy Cooperatives, page 16.

The infographic was developed within the project "Welfare, Wealth and Work for Europe (wwwforEurope)," simplifying and adapting the original more complex graph (Geels 2011). It was used in an intro-section on the transition theory for a project report.
