## Emissions Trading Systems and Developing Countries - 3rd ETS E-learning Course Webinar

### Event

[Digital Event](#)

### Date

23 March 2016

### Location

Beijing, Boston

### Speaker

Elizabeth Zelljadt  
Duan Maosheng (Tsinghua University)

In the third installment of the webinar series accompanying Ecologic Institute's ETS e-learning program, moderated by Elizabeth Zelljadt, expert guest speaker Duan Maosheng (Tsinghua University) commented on China's pilot carbon markets and experiences in becoming ETS "market ready." He provided unique examples of capacity gaps that were overcome and others that remain a challenge, shedding light on China's plans for a nationwide ETS to begin in 2017.

### Funding

European Commission, [Directorate-General Development and Cooperation](#) (EuropeAid), International  
European Commission, [Directorate-General for Climate Action](#) (DG Climate), International
