

Internships

for enrolled students only

Job

Location

Berlin

Starting date

as soon as possible

Ecologic Institute offers internships for university credit,

aiming in particular at students pursuing a degree in the Environmental Sciences. Start and end dates are flexible; generally, internships should last **at least six months**. Unfortunately, Ecologic Institute cannot offer to host individuals for theses and dissertations.

We pay an internship allowance.

Your application should include the following:

- a letter of motivation that illustrates, why you are the optimum candidate for Ecologic Institute (2 pages maximum)
- a CV that describes your current activities, your previous activities, your educational achievements and your individual competencies (3 pages maximum)
- certificates that verify your qualifications and activities mentioned in your CV
- a writing sample in German (e.g. article, essay paper or extract of your dissertation; 20 pages maximum) if available
- a writing sample in English (e.g. article, essay paper or extract of your dissertation; 20 pages maximum) if available
- a verification document to prove that your internship is for university credit (e.g. within study regulations)
- your preferred starting date

Please, send your application documents to verena.stange@ecologic.eu

Do not apply by mail, paper based applications will only be returned if the postage is paid. Thank you for your understanding.

For questions regarding your application please contact our Human Resources team (verena.stange@ecologic.eu).

We are looking forward to receiving your application!

Diversity of disciplines, backgrounds and experiences strengthens re-search and society. We therefore welcome all applications. Selection criteria are solely the job requirements and the qualifications of the applicants. We therefore also ask you to refrain from sending photos as part of the application.
