Ecologic Institute 2016: EU project Resource Efficient Food and dRink for the Entire Supply cHain to reduce food waste across Europe. Flyer.

As part of the visual identity for project "Resource Efficient Food and dRink for the Entire Supply cHain" (REFRESH), Ecologic Institute designed a project flyer in small postcard format. The flyer summarizes general objectives and aims of the project, and is styled according to the project style-guides and contains project and contact information and an QR-code directing to the project website. The flyer is distributed during project events.
