
Barbara Albrecht

Senior Controller

Team

Administration
Finance Team

Barbara Albrecht works as a Senior Controller for Ecologic Institute Berlin. As a part of the Finance Team, she has a leading role in further developing finance and accounting and providing the Institute with appropriate management information. She focuses particularly on transparent cost accounting, monitoring tasks regarding the financial situation of Ecologic Institute and project controlling. Barbara Albrecht works in German and English and also has some knowledge of French.

□

Prior to her work at Ecologic Institute, Barbara Albrecht worked for many years at a large German IT service company. As a commercial manager, she was responsible for area and project controlling as well as order management. She gained experience with long-term, complex projects, especially in IT outsourcing and the support of change processes.

Barbara Albrecht is a state-certified economic correspondent in English and French.
