

Building Bridges – A High Trust Network with Conservative Groups for Ambitious Climate Action

Project

Duration

Dec 2019 - May 2021

Ecologic Institute starts dialogue with conservative climate and energy policy makers. The dialogue aims to build bridges for effective climate action through all segments of society. The project is carried by Ecologic Institute in cooperation with Szazadveg Foundation, a Hungarian Think Tank. The dialogue consists of a number of meetings, publications and a concluding conference in Brussels.
