

WDR Quotes Ecologic Institute: Green Deal â€œ "green Europe" not an overnight success

News

Date

20 January 2020

Location

Berlin, Germany

The WDR reports how Europe can become climate neutral by 2050. Quoting the Ecologic Institute, WDR presents the European Green Deal and an EU climate protection law, two flagship initiatives to make the EU climate neutral by 2050. The German article ["Green Deal â€œ "green Europe" not an overnight success"](#) is available for listening on the WDR website until 15 January 2025.
