Ecologic Institute 2020: KOPOS: Neue Kooperations- und Poolingmodelle für nachhaltige Landnutzung und Nahrungsversorgung im Stadt-Land-Verbund. URL: <https://kopos-projekt.de/>

KOPOS addresses the question of how greater regionalization of food supply can contribute to building environmentally friendly and more resilient supply structures.

The KOPOS website was developed, implemented and designed by Ecologic Institute. It serves the public communication of the project's goals, events and results.
