

# Rethinking Energy and Climate Resilience after Russia's War on Ukraine

## Event

[Discussion](#)

## Date

9 May 2022

## Location

Warsaw, Poland

On 9 May 2022, Europe Day 2022, WiseEuropa, Global Focus Center and the Ecologic Institute organised the roundtable "Rethinking energy and climate resilience after Russia's war on Ukraine" in Warsaw (Poland). In the context of the Conference on the Future of Europe, the event discussed options for ending Russian energy imports and accelerating the decarbonisation of Europe.

The event was part of the project ["The Future of the EU â Make Climate Action its Trademark"](#). The European Climate Initiative (EUKI) funds this project.
