Meyer-Ohlendorf, Nils 2021: Konferenz Ã¼ber die Zukunft Europas â was ist drin fÃ¼r den Klimaschutz? Tagesspiegel: 7 May 2021. Online: <https://background.tagesspiegel.de/energie-klima/konferenz-ueber-die-zukunft-europas-was-ist-drin-fuer-den-klimaschutz>

The Conference on the Future of Europe begins on 9 May 2021. This political process can become a milestone in EU climate policy making â provided that its recommendations are specific and focus on the EU's ability to act, writes Nils Meyer-Ohlendorf in the Tagesspiegel. He makes three proposals how the conference can support EU climate policies.
