The One Planet Economy Network held its Workshop on Scenarios and Policy Analysis in Brussels (Belgium) on 8 and 9 September 2010. R. Andreas Kraemer moderated the workshop, which was part of the One Planet Economy Network: European Union (OPEN:EU) joint research project sponsored by the European Commission, DG Research, as part of the 7th Framework Programme for Research.

The purpose of the workshop was to ensure the scenarios developed as part of the OPEN:EU project, the policy analysis of scenarios, and indicators are relevant to potential users. The summary and workshop output is available for download.
