Ecologic Institute 2011: Ecologic Institute in five minutes. Berlin: Ecologic Institute. Video online: <http://www.youtube.com/watch?v=hZtiK04A9Yo>

Ecologic Institute is a private not-for-profit think tank for applied environmental research, policy analysis and consultancy. Sound complicated? It is! What do we work on? For whom do we work and who are we? What makes Ecologic Institute a "Knowledge Garden"? This film provides answers to these questions.
