EEG 2012: Chances and Perspectives for Biogas

TimeLoc

22 February 2012

Berlin

Germany

[Dr. Wolfgang Urban](#) [1]

[2]

As part of the BiogasWorld, an international fair for biogas technology, Ecologic Institute's Wolfgang Urban gave a lecture on the further development of the German Renewable Energies Law (EEG) in 2012 and its implications for biogas and biomethane. Additionally he presented results of the monitoring process the EEG has undergone. The presentation slides are available for download.
