Ecologic Institute: Science and Policy for a Sustainable World

[1]

Ecologic
Institute: a
transdisciplinary
research
organization

In our brochure "Ecologic Institute: Science and Policy for a Sustainable World" (German: "Wissenschaft und Forschung für eine nachhaltige Welt"), we introduce Ecologic Institute as a transdisciplinary research organization. We focus on environmental research and address relevant sociopolitical questions of sustainability research. We bring new insights into environmental policy. Discover our research projects, academic collaborations, and teaching activities. Our new brochure is available for download.

Here you can download the English version of our new brochure. If you would like to receive a print copy of the brochure, please send an e-mail with your contact information to press@ecologic.eu.

A [German version](#) [2] as well as a [short version in Chinese](#) 生态研究所 [3][pdf, 2.3 MB, Chinese] are also

available for download.
