Smarter, Greener, more Inclusive? - 2015

INDICATORS TO SUPPORT THE EUROPE 2020 STRATEGY

[1]

On 2 March 2015, Eurostat published its most recent Flagship Publication *Smarter, greener, more inclusive?*. The report, commissioned by Eurostat, assesses the EU's progress in implementing the Europe 2020 strategy. Commissioned by Eurostat, Andreas Prah, Katharina Umpfenbach and Eike Velten of Ecologic Institute edited the chapter on climate change and energy. It discusses progress towards the so-called 20-20-20 targets which aim at cutting EU greenhouse gas emissions, increasing renewable energy supply, and improving energy efficiency.
