In July 2015, the new *POLIMP Webinar Series* officially kicked off with a discussion on the topic "**Paris 2015: Lessons from the Copenhagen Experience**" moderated by Matthias Duwe (Head, Climate Ecologic Institute).

The webinar took place on **Tuesday, 7 July 2015** from **14:00 until 15:00 CEST** and featured two main speakers.

Guest speakers:

- [Prof. Dr. Sebastian Obertür](#) [2] - Professor, Institute for European Studies (IES), Vrije Universiteit Brussel
- [Wytze van der Gaast, PhD](#) [3] - Joint Implementation Network (JIN)

Moderator:

- [Matthias Duwe](#) [4] - Ecologic Institute's Head of Climate

The three explored what lessons can be drawn from the experience of the negotiation process towards the 2009 Copenhagen climate summit for a success of this year's conference COP21 in Paris, which is aiming to adopt a new agreement for the time after 2020.
