During COP21 Ecologic Institute provided support for the negotiations and presented project results

The 21st Conference of the Parties (COP21) to the United Nations Framework Convention on Climate Change (UNFCCC) was held in Paris from 30 November to 11 December 2015. Ecologic Institute supported the negotiations via its legal expertise and also presented the results of different research projects at COP side events.

[Dr. Ralph Bodle](#) [2] and [Lena Donat](#) [3] of [Ecologic Legal](#) [4] participated in the climate summit negotiations by supporting the German delegation within the context of two projects. During the UN climate negotiations Ralph Bodle dealt with legal aspects of climate finance and the post-2012 climate regime. Lena Donat was involved in the international negotiations on climate change by providing legal analysis and advice to the German Federal Ministry

for the Environment, Nature Conservation, Building and Nuclear Safety (BMUB).
