The Evangelische Akademie Loccum hosted a conference on "GATS, EU-internal market and the liberalisation of general services in Germany". Wenke Hansen talked about the quality and price of water services in Europa.

Wenke Hansen presented inter alia the results of the project "[International Comparison of Water Management](#) [2]". She addressed the evolution of prices and charges in the European water and sanitation sector, and the debate over the liberalisation of the German water sector. Together with Mr. Cronauge from the Association of Municipal Enterprises (VKU) and Dr. Verwey from Gelsenwasser AG, Wenke Hansen discussed future strategies of the German water industry in the context of current European developments.
