Emissions Trading Systems and Developing Countries - 3rd ETS E-learning Course Webinar

[1]

In the third installment of the webinar series accompanying Ecologic Institute's ETS e-learning program, moderated by Elizabeth Zelljadt, expert guest speaker Duan Maosheng (Tsinghua University) commented on China's pilot carbon markets and experiences in becoming ETS "market ready." He provided unique examples of capacity gaps that were overcome and others that remain a challenge, shedding light on China's plans for a nationwide ETS to begin in 2017.
