Keeping it Legal - 4th ETS E-learning Course Webinar

[1]

In the last of our four-part webinar series on emissions trading systems (ETS), moderated by Ecologic Institute's Fellow Elizabeth Zelljadt, guest speaker Franz Litz explains the unique legal challenges of establishing and implementing regulatory ETSs. He discusses examples of national and international law to illustrate legal considerations for future ETS development.

27 April 2016

Boston / New York
