The UN Ocean Conference - June 2017

GUIDANCE TO THE ENVI COMMITTEE OF THE EUROPEAN PARLIAMENT

[1]

Ecologic Institute published a briefing for the ENVI Committee of the European Parliament to guide their participation in the upcoming UN Ocean Conference to be held June 2017 in New York City. The brief provides a short overview of the UN 2030 Agenda and specifically, Sustainable Development Goal 14: Conserve and sustainably use the oceans, seas and marine resources for sustainable development (SDG 14). The brief identifies key issues and the position of main stakeholders. In a final section, several recommendations to guide EU participation are provided. The briefing is available for download.
