Umwelt-Checkliste für den Einsatz von Tierarzneimitteln

[1]

This checklist for veterinary medicine and animal husbandry recalls the most important environmental issues when using veterinary medicines.

The infographic is licensed under a Creative Commons license CC BY-ND 4.0, i. e. it can be used without any changes, if the author is mentioned. The infographic is part of a series of five infographics on [veterinary pharmaceuticals in the environment](#) [2] developed by Ecologic Institute for the German Federal Environment Agency.
