Sustainable Development in the European Union - 2018 Overview

OVERVIEW OF PROGRESS TOWARDS THE SDGS IN AN EU CONTEXT

[1]

Overview of the 2017 situation concerning selected SDG-related indicators.

This brochure is a 'light' version of Eurostat's publication 'Sustainable development in the European Union - 2018 monitoring report on progress towards the SDGs in an EU context', conveying its main messages in a visual and concise way. The brochure provides an updated snapshot of the current situation concerning

100 indicators related to the 17 sustainable development goals (SDGs). It thus provides a snapshot of the key trends related to sustainable development in the European Union. Ecologic Institute's authors covered the chapters on SDG 2 (Zero Hunger), SDG 6 (Clean Water and Sanitation), SDG 7 (Affordable and Clean Energy), SDG 13 (Climate Action), SDG 14 (Life Below Water), SDG 15 (Life on Land) SDG 17 (Partnerships for the Goals). The publication is available for download.
