Von unkonventionellen Ideen und spannenden Menschen

1ST EPISODE OF "KNOWLEDGE FOR FUTURE - DER UMWELTPODCAST"

[1]

About
unconventional
ideas
and
exciting
people

Sustainable management and climate protection policy - these are the topics of the new podcast series "Knowledge for future". We will present people and ideas that set an example in making the economy more sustainable. It will also focus on current developments in climate protection policy. The podcast series is a collaboration between Ecologic Institute and detektor.fm and is presented in this teaser.
