Climate Change, Soil and Agriculture: Where do we stand and what we can do

[1]

Lecture with Sophie Ittnner in the #week4climate about the key messages from the Special Report Climate Change

A presentation by Sophie Ittner on key messages of the latest Special Report of the Intergovernmental Panel on Climate Change on the current state of land systems and future risks of climate change. Important recommendations for action for society and politics are summarized and discussed. Participation is free of charge.

When? Tuesday, 24 September 2019, 15:15 to 16:00

Venue: Öko-Institut, Berlin, Schicklerstraße 5-7, 10179 Berlin

24 September 2019

Berlin
