

CV

Director and Science

Ramiro de la Vega

BA (Economics and Politics)

Research Assistant

Ramiro de la Vega works as Research Assistant at Ecologic Institute Berlin. His research focuses on national and European climate and energy policies. He is a native German and Spanish speaker and also fluent in English and Italian.

Before joining Ecologic Institute, Ramiro de la Vega worked as Research Assistant at the [Deutsche Gesellschaft für Verbraucherstudien](#) [1] (DtGV). There, he analysed and executed consumer studies within the context of sharing-economy and private retirement plans. Moreover, he is a member of a working group of economic policy of a political party, where he engages in discussions concerning sustainable development in Berlin.

Ramiro de la Vega is preparing for his Master's in Public Economics at Freie Universität Berlin. He completed his Bachelor's degree in Economics and Politics at the Hochschule für Technik und Wirtschaft Berlin, where he focused on environmental economics, empirical social research and macroeconomics. In his Bachelor's thesis he dealt with "the impact of Germany's foreign trade on employment".
