Klimaschutz in der Corona-Krise verlangsamen?

[1]

Slowing down climate action because of the corona crisis? - OpEd in the Tagesspiegel

To combat the Corona Crisis, states are pushing their limits. Nils Meyer-Ohlendorf argues in the Tagesspiegel that this should not happen in climate policy. There is no "what-ever-it-takes-response" to stop the advanced climate crisis but only swift and continuous action now.
