## Christine Kruczynski

Diplom-Betriebswirtin (FH)  
Senior Financial Manager

Christine Kruczynski worked for Ecologic Institute as Senior Financial Manager. She focused on administrative cooperation with Ecologic Institute's subsidiary in Berlin and with Ecologic Institute, Washington DC. In addition, she supported the Head of Finance thematically and takes over tasks in the field of project accounting. Christine Kruczynski works in German and English and has basic knowledge of French.

From 2009 to 2014 Christine Kruczynski was Head of Finance at Ecologic Institute.

Before joining Ecologic Institute in 2009, Christine Kruczynski was employed at [Médecins Sans Frontières](#) [1] (Ärzte ohne Grenzen e.V.) and was responsible for financial controlling, accounting, and preparing the annual report and audit. Christine Kruczynski gained field experience in development work as a Consultant with the [German Development Service](#) [2] (GIZ, formerly: DED) in Nepal in 2005 and 2006. From 2001 to 2005 she worked for the Labor28 Management GmbH as a Controller and Head of Accounting, where she developed, implemented, and optimized a controlling and reporting system. Prior to this, Christine Kruczynski was employed in the science and research field for many years. First she worked for the [Institute for Health and Healthcare](#) [3] (IGES) in Berlin as Head of Business Management and later as Manager of the joint center of the [Nanyang Technological University and the Fraunhofer Society](#) [4] in Singapore.

Christine Kruczynski studied economics at the Berlin School of Economics and Law (Hochschule für Wirtschaft und Recht) in Berlin (Germany).□
