Paula Senff

Transatlantic Intern

Paula Senff was a Transatlantic Intern at Ecologic Institute in Washington DC. Her work included international energy policy and biodiversity conservation. In addition to her work as a research assistant, Paula Senff contributed by translating texts from English to German. Her native language is German, she is fluent in English and has a basic knowledge of French.

Prior to joining Ecologic Institute, Paula Senff worked on development projects in Malawi, as well as a turtle conservation project with the University of Guadalajara (Mexico).

Paula Senff is currently an undergraduate student at McDaniel College in Maryland, where she is majoring in Environmental Biology with minors in Photography and French. In 2009, she earned her International Baccalaureate Diploma at Verde Valley School in Arizona.
