Research Assistant

Robert Ostwald was a Research Assistant at Ecologic Institute in Berlin. His work focused on the climate and energy policies of the European Union (EU). Robert Ostwald works in German and English and has a good knowledge of French.

Before joining Ecologic Institute, Robert Ostwald worked in Brussels (Belgium) at the EU Representation Office of [Evonik Industries](#) [1] in the field of European Research and Innovation policy, where he focused his work on the EU Research Framework Programmes and public-private partnerships (PPPs). Prior to this, Robert Ostwald completed multiple internships at the [State Chancellery of Mecklenburg-Pomerania](#) [2] (Germany), in the [regional office](#) [3] of the Friedrich Ebert Foundation (FES) in Schwerin, as well as in the [German Bundestag](#) [4], each with a concentration on European affairs.

In addition to his work at Ecologic Institute, Robert Ostwald is studying political sciences in the master program of the Freie Universität Berlin, with a focus on European environmental policy. In 2011, Robert Ostwald graduated from the University of Rostock (Germany) with a Bachelor of Arts in political science and communications. During his bachelor studies, he also spent one semester studying international relations at the University of Nantes in France.
