

# Emissions Trading in China and Europe: Taking Stock, Thinking Ahead, Looking Beyond

## 中欧碳交易历史、现状与展望

Shenzhen, 13 December 2017  
Venice Raytour Hotel, No. 9026 Shen Nan Boulevard, OTC Nanshan District, Shenzhen

### Conference Programme

<b>9.00 – 9.30</b>	<b>Opening and Keynotes</b>
	Welcome: CAI Yu, Shenzhen Development and Reform Commission Keynote: Beatriz YORDI, European Commission Keynote: TANG Jie, Harbin Institute of Technology
<b>9.30 – 10.30</b>	<b>A. Taking Stock: Emission Trading and Cost-Effective Emission Reductions</b>
	Where do China and the EU stand in terms of ETS implementation – what has been achieved so far, what lessons have we learnt? Which emission reductions have been achieved, and at what cost? What are differences and commonalities between China and Europe? <ul style="list-style-type: none"><li>- DUAN Maosheng, Tsinghua University</li><li>- Franzjosef SCHAFHAUSEN</li><li>- Questions &amp; Discussion</li></ul> Moderator: Benjamin GÖRLACH, Ecologic Institute
<i>Coffee break</i>	
<b>11.00 – 12.15</b>	<b>B. Making ETS work: Essential Building Blocks of an ETS</b>
	What lessons have we learnt for creating the foundations for an ETS to work well and to deliver – building the data base, establishing solid MRV rules and procedures, creating the legal and administrative framework, letting the market for allowances develop and mature? <ul style="list-style-type: none"><li>- ZHANG Xin, National Centre for Climate Change Strategy and International Cooperation</li><li>- Dian PHYLIPSEN, SQ Consult</li><li>- Questions &amp; Discussion</li></ul> Moderator: QIAN Guoqiang, Sino-Carbon
<i>Lunch break</i>	

EU-CHINA

<b>13.30 – 14.30</b>	<b>C. Working Together: International Cooperation on ETS Implementation</b>
	<p>How can countries work together to get ETS implemented, what are the prospects for an eventual linking of ETS? What are the most useful fora and formats for such cooperation – from bilateral cooperation, to intergovernmental bodies, to international fora such as the UNFCCC or the G20?</p> <ul style="list-style-type: none"> <li>- FU Sha, National Centre for Climate Change Strategy and International Cooperation</li> <li>- Femke DE JONG, Carbon Market Watch</li> <li>- Questions &amp; Discussion</li> </ul> <p>Moderator: Johannes ENZMANN, European Commission</p>
<b>14.30 – 15.30</b>	<b>D. Thinking Ahead: The Role of ETS in the Transition to a Low-Carbon Economy</b>
	<p>How does ETS fit into the big picture of low-carbon transformation: How should the broader regulatory framework be aligned to reap synergies between ETS implementation and air quality protection or power sector reform, and to exploit the full potential of an ETS? How can the ETS be part of a broader strategy for innovation, investment and competitiveness?</p> <ul style="list-style-type: none"> <li>- ZHANG Junjie, Duke Kunshan University</li> <li>- Andrew PRAG, IEA</li> <li>- Questions &amp; Discussion</li> </ul> <p>Moderator: QIAN Guoqiang, Sino-Carbon</p>
<i>Coffee break</i>	
<b>16.00 – 17.15</b>	<b>E. Looking Beyond: How do we move up along the Ladder of ETS, Making Markets Work and Mobilising Low-Carbon Finance, Towards a Low Carbon Economy? (Panel Discussion)</b>
	<p>How do we get to carbon prices that are high enough, soon enough, covering enough of the global economy, to deliver the necessary changes in our economies?</p> <ul style="list-style-type: none"> <li>- DUAN Maosheng, Tsinghua University</li> <li>- GE Xing'an, China Emissions Exchange</li> <li>- XU Hongping, Industrial Bank of China</li> <li>- Franzjosef SCHAFHAUSEN</li> <li>- Vicky POLLARD, European Commission</li> </ul> <p>Moderator: Matthias DUWE, Ecologic Institute</p>
<b>17.15 – 17.30</b>	<b>Close of the Conference, Final Remarks</b>
	<p>Beatriz YORDI, European Commission GE Xing'an, China Emissions Exchange</p>
