

Ecosystem-based Adaptation for Coastal Resilience: In-depth Workshop on Scaling-Up Coastal EbA

Location: Online MS-Teams | **Date:** 06 October 2026 | 14:00 – 18:00 CEST

Programme	
Introduction	
14:00 – 14:15	Welcome and Opening - Introduction to the workshop objectives and format (Grit Martinez, Ecologic Institute) - Virtual Tour de Table
Topic 1: Understanding Scaling Up Coastal EbA: Pathways, Dimensions and Barriers	
14:15 – 14: 45 Keynote	From Successful Projects to Systemic Change: Scaling Up Ecosystem-based Adaptation for Coastal Resilience (Ali Raza Rizvi, Enni Kallio & Christopher Roy, IUCN)
14:45 – 15:30 Facilitated Expert Dialogue	Scaling Coastal EbA: Lessons from International Initiatives Experts: Margaux Monfared (Blue Pangolin), Martin Zimmer (ZMT), and Christopher Roy, IUCN Moderation: Gregory Fuchs (Ecologic Institute) - Connecting successful coastal EbA approaches to broader programmes and policy processes. - Lessons from mangrove and coral reef initiatives on what can be transferred across locations and what needs to be adapted to local ecological, social and institutional contexts.
15:30 – 15:45	Break
Topic 2: Scaling Up through National Adaptation Plans (NAPs)	
15:45 – 16:15 Impulses	How can NAPs Support Scaling of Coastal EbA - Introduction (NN) The NAP of Grenada (Dr. Roxanne Graham-Victor, National Climate Change Adaptation Officer, Grenada)
16:15 – 16:45 Open Discussion	Embedding Coastal EbA in NAPs – Learning form Experiences Moderation: Nico Stelljes (Ecologic Institute) - How can NAPs support the scaling of coastal EbA? - Enabling conditions and practical steps for moving from NAPs to coordinated and financed implementation.
Topic 3: Financing Coastal EbA at Scale	
16:45 – 17:15 Impulses	From Projects to Programmes - Financing Coastal EbA at Scale in Caribbean SIDS (Ulrike Krauss, Caribbean Biodiversity Fund) Scaling Adaptation Interventions: Pathways and Challenges (Neha Sharma, Adaptation Fund)
17:15 – 17:45 Open Discussion	From Projects to Programmes: Financing EbA at Scale Moderation: Grit Martinez (Ecologic Institute) - How can we secure long-term funding and make EbA initiatives ready for larger scale. - The role of funding mechanisms, partnerships and institutional support in sustaining EbA beyond project cycles.
Conclusion and next steps	
17:45 – 18:00	Closing remarks from the funding institutions (Anke Wolff, BMUKN & Simone Wulf, BfN) Closing words and outlook on the next steps (Grit Martinez & the TropicalAdapt Team, Ecologic Institute)
