Michael Grubb

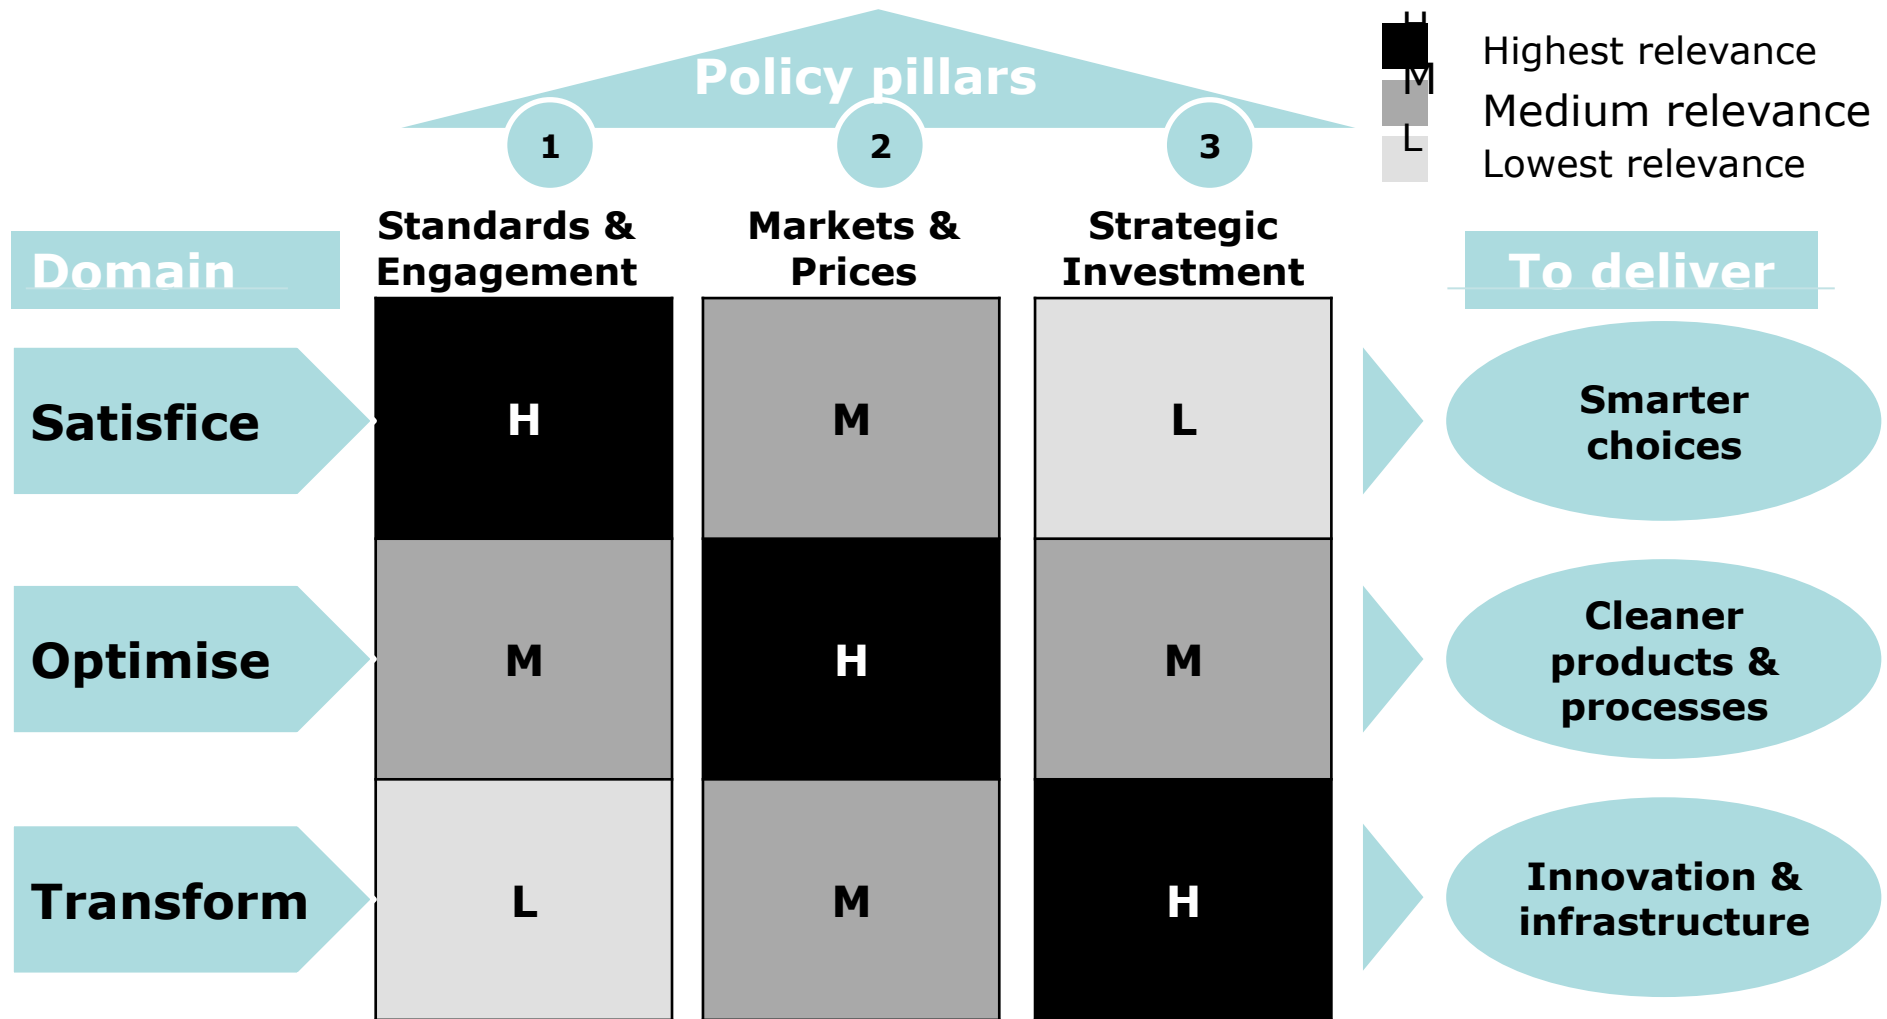

4CMR University of Cambridge Centre for Mitigation Research

Editor-in-Chief, *Climate Policy* journal

Senior Advisor, Sustainable Energy Policy,
UK Office of Electricity and Gas Markets (Ofgem)

Each domain underpins a corresponding pillar of policy

Source: M. Grubb, J. C. Hourcade, and K. Neuhoff, *Planetary Economics*,

Changing course requires a sustained package

Key is to integrate and synergise across all three domains
