 March 2013: Health in Station Areas
 April 2013: Climate Change, AB32
 May 2013: Affordable Housing
 June 2013: Open Space & Agriculture
 July 2013: Moving Silicon Valley
 Aug 2013: Transit Corridors
 Sep 2013: Cities for All Ages

Senior Health – Living Long and Prospering in San Mateo County

Thursday, January 31, 2013 from 5:30-8PM

Millbrae Community Center, Room DEF
 477 Lincoln Circle, Millbrae, CA 94030

JOIN US and explore how the various facets of the health of our cities – economic, environmental, and social – intersect. **Tanja Srebotnjak** of **Ecologic Institute** will present findings from a new report in collaboration with Sustainable San Mateo County: **“Senior Health in San Mateo County: An Assessment of Current Status and an Outlook into Future Needs.”** Afterward, we’ll break out into groups to discuss strategies for how we can make our communities economically, environmentally, and socially healthier and more resilient. No charge, open to the public, refreshments provided.

WHO Decision makers, community leaders, labor, developers, affordable housing advocates, business leaders, environmentalists

AGENDA

5:30pm – Refreshments & Networking
 6:00pm – Welcome
