

# ADIL NAJAM

*The Frederick S. Pardee Chair for Global Public Policy, Boston University*  
*Pardee House, 67 Bay State Road, Boston, MA 02215, USA.*  
Telephone: 617-358-4001 • Fax: 617-358-4001 • Email: [anajam@bu.edu](mailto:anajam@bu.edu)

---

Dr. Adil Najam is the Frederick S. Pardee Professor for Global Public Policy at Boston University, where he is also a Professor of International Relations, a Professor of Geography and the Environment, and the Director of the Pardee Center for the Study of the Longer-Range Future. He is also a Visiting Professor of Negotiation and Diplomacy at the Fletcher School of Law and Diplomacy and of Civil and Environmental Engineering at Tufts University.

Prof. Najam was a Lead and Coordinating Lead Author for the Third and Fourth IPCC Assessments; work for which the IPCC was awarded the 2007 Nobel Peace Prize for advancing the public understanding of climate change science. He served as a Lead Author for the Third and Fourth Assessments of the Intergovernmental Panel on Climate Change (IPCC), focusing on the relationship between climate change and sustainable development. In 2009 he was nominated by the United Nations Secretary General to serve on the UN Committee on Development (CDP), an advisory body to the UN ECOSOC.

Prof. Najam's research and teaching spans a variety of topics related to sustainable development policy for developing countries, especially focusing on climate change, international trade, global governance, and human security. Prof. Najam's public scholarship has also focused on Pakistani state and society and he has been an active voice in the international media and lecture and conference circuits on issues related to Pakistan. Prof. Adil Najam is the founding editor of [Pakistaniat.com](http://Pakistaniat.com), which is the largest Pakistani blog and is widely quoted in the international.

Prof. Najam has published widely, written over 100 scholarly papers and book chapters, and his recent books include: *Trade and Environment: Visions from the South* (2007); *Trade and Environment Negotiations: A Resourcebook* (2007); *Pakistanis in America: Portrait of a Giving Community* (2006); *Global Environmental Governance* (2006); *Environment, Development and Human Security: Perspectives from South Asia* (2003); and *Civic Entrepreneurship* (2002). He has frequently served as a consultant and advisor to various international organizations and nongovernmental organizations, and to governments.

Prof. Najam holds two Masters and a PhD from the Massachusetts Institute of Technology (MIT), a Specialization in Negotiation from the Program on Negotiation at the Harvard Law School, and an engineering degree from the University of Engineering and Technology (UET), Pakistan. He is a past winner of MIT's Goodwin Medal for Effective Teaching, the Fletcher School Paddock Teaching Award, and the Stein Rokan Award of the International Political Science Association, the ARNOVA Emerging Scholar Award, and the Pakistan Television Medal for Outstanding Achievement. He serves on the editorial boards of various scholarly publications including, *Global Governance*, *Nonprofit and Voluntary Sector Quarterly*, *The Journal of Ecological Economics*, *Yearbook of International Co-operation on Environment and Development*, and is topic editor on sustainable development for *The Encyclopedia of Earth*. He was an original member of the President of Pakistan's Special Task Force on Human Development (2001) and served with the President of Pakistan's Commission on Higher Education (2002).

## EDUCATION

### Massachusetts Institute of Technology, Cambridge, Mass., USA

- **Ph.D. in International Environmental Policy.** Research on multilateral international negotiations, with focus on the role of developing countries (as a negotiating collective) in international environmental negotiations.
- **Master of Science in Technology and Policy.** Research focus on technology concerns of developing countries for development.
- **Master of Science in Civil and Environmental Engineering.** Research focus on sustainable development.
- Master's thesis: *Developing Countries in the Politics of Sustainable Development.*
- Doctoral thesis: *Developing Countries in Global Negotiations—Getting Beyond the Lowest Common Denominator.*

### Harvard Law School, Program on Negotiation, Cambridge, Mass., USA

- **Specialization in Negotiation.** Focus: international negotiation and public policy dispute resolution.

### University of Engineering and Technology, Lahore, Pakistan.

- **Bachelor of Science in Civil Engineering.** Thesis research on computer-aided analysis, design & drafting of engineering structures.

## TEACHING

### Boston University, Boston, Mass., USA

2007 to date

- **The Frederick S. Pardee Professor** of Global Public Policy and the **Director** of the Frederick S. Pardee Center for the Study of the Longer-Range Future.
- **Professor,** Department of International Relations.
- **Professor,** Department of Geography and Environment.
- Member of the President's Council for the Global University.

### Fletcher School of Law and Diplomacy, Tufts University, Medford, Mass., USA

2003 to date

- **Associate Professor** of International Negotiation and Diplomacy. Teach graduate courses in international negotiation, multilateral diplomacy, sustainable development and environmental policy, and NGO Management. Research focuses on conflict resolution and international negotiation, sustainable development, global governance, human security, trade and development, and nongovernmental organizations; all with a focus on developing countries. Also focusing on South Asia politics and the politics of the Muslim World.
- **Associate Professor** of Civil and Environmental Engineering, School of Engineering.
- Also affiliated to the Institute for Human Security, the Global Development and Environment Institute, the Institute for Global Leadership, and the University College for Citizenship and Public Service. Awarded the 2004 Paddock Teaching Award.

### Boston University, Boston, Mass., USA

1997 to 2003

- **Assistant Professor** at the Department of International Relations; also affiliated to the Center for Energy and Environmental Studies; the Center for Ecology and Conservation Biology; and the Fredrick Pardee Center for the Study of the Longer-Range Future. Taught graduate and undergraduate courses in international environmental negotiation, international environmental policy, sustainable development, global governance (including nongovernmental organizations).
- Chair of the Social Science Curriculum Committee of the College of Arts and Sciences. Served on Boston University Fellowships and Scholarships Committee and two faculty search committee. Redesigned the joint Master's degree in International Relations and Environmental Policy (IREP), and serve as the faculty focal point for this program and as advisor to all students in it.
- Organized a series of three 'Pak-Millennium Conferences' focusing on Economic Development (1999), Governance (2000), and Higher Education (2002). The conferences attracted around 250 participants each and featured 20-25 speakers each, including high-level policy makers. Co-Principal Investigator for a major project on the UN Millennium Development Goals.

### Massachusetts Institute of Technology, Cambridge, Mass., USA

1994-97

- **Instructor** for undergraduate course *The Art and Science of Negotiation* (Fall '94, '95 and '96); introductory course on negotiation theory and practice. Responsible for all aspects of teaching including syllabus redesign.
- **Instructor** for *Practicum in Science and Engineering Writing* (Spring '97).

### University of Massachusetts, Boston, Mass., USA

Spring 1997

- **Visiting Lecturer** for the required course on *Negotiation* for the Graduate Program in Dispute Resolution (Spring '97). Redesigned course syllabus as an advanced seminar on negotiation theory and practice.

**School for International Training, Brattleboro, VT, USA** 1993–94

- **Visiting Lecturer** for a set of undergraduate core-courses in Environmental Studies: *Global Environmental Issues* (Fall '93) and *International Environmental Politics* (Spring '94). Co-taught a graduate course on *Issues in Sustainable Development* (Fall '93).

**Program on Negotiation, Harvard Law School, Cambridge, Mass., USA** 1992–93

- **Teaching Assistant** for semester-length graduate seminars on *Negotiation and Dispute Resolution* (Fall 1992) and on *Mediation and Dispute Resolution* (Spring 1993) aimed at mid-career professionals.

## COLLABORATIONS

**Program on Negotiation (PON), Harvard Law School, Cambridge, Mass., USA** 1991 to date

- **Associate Faculty**, (2003-to date).
- **Administrator**, International Environmental Negotiation Network (IENN) (1991-94).
- **Associate Editor** of *Concordare* (1992-94).
- **Associate Director**, MIT-Harvard Public Disputes Program, (1993-1997).
- **Graduate Research Fellow**, Program on Negotiation (1995-96).

**Consensus Building Institute (CBI), Cambridge, Mass., USA** 1994 to date

- **Associate and Senior Consultant**. Assisted in the development and testing of various negotiation simulation, in conducting international trainings on negotiation and dispute resolution, and in other dispute resolution and facilitation activities.
- Consulted, designed trainings, and facilitated for UN Institute for Training and Research (UNITAR), Global Environmental Facility, University of the Middle East, Asian Development Bank, International Finance Corporation, and Search for Common Ground.
- Recent projects include: a) leading a dispute resolution team in a review of a major irrigation project in South Asia, b) designing and conducting a set of negotiation training workshops for Asian Development bank staff on dealing with nongovernmental organizations in the context of contentious development projects, and c) co-lead facilitator for global consultations on the International Finance Corporation's (IFC's) new environmental and social safeguard policies, and trainer for subsequent trainings for IFC Investment staff.

**Pakistan Institute of Environment-Development**

**Action Research (PIEDAR), Islamabad, Pakistan.** 1996 to date

- **Director Board of Governors**; elected December 1998.
- **Senior Monitor** for the Balochistan Provincial Conservation Strategy, a major cross-sectoral policy review of the Government of Balochistan on behalf of the funding agency (Royal Dutch Embassy), 1998-99.
- **Advisor** to Gujarat Ecology Commission for developing the framework for Environmental Action Plan for Gujarat, India, 1998.

**Sustainable Development Policy Institute (SDPI), Islamabad, Pakistan.** 1998 to date

- **Visiting Fellow**, responsible for advising on research in the area of multilateral environmental agreements, writing occasional policy briefs for government agencies, and conducting trainings on international environmental negotiation and policy.
- Provided negotiation advice to Pakistan negotiating teams for climate change negotiations, World Trade Organization (WTO) negotiations, and the 2002 World Summit on Sustainable Development (WSSD).
- Provided capacity building training sessions to governmental, nongovernmental and private sector stakeholders in multilateral environmental negotiations (1998), development planning (1999), and negotiation (2002).
- Lead a research project analyzing solutions to the Kashmir conflict and their evolution over time.

**Intergovernmental Panel on Climate Change (IPCC)** 1998 to date

- **Coordinating Lead Author** for Working Group III of the Fourth Assessment Report of the IPCC which is a blue-ribbon panel of scientists convened by the United Nations to advise UN negotiators on scientific issues related to the global climate change.
- **Lead Author** for Working Group III of the Third Assessment Report of the IPCC.

**The RING for Sustainable Development, and**

**International Institute for Environment and Development, London, United Kingdom** 1999 to date

- **Research Driver and Steering Committee Member** for this consortium of centers of excellence in policy advocacy and research for sustainable development. RING includes leading policy NGOs from Asia, Africa and Latin America and OECD countries.
- Editor of the RING Working Paper series (1999-2000).

- Represented RING at international meetings, including with the UN Global Compact and the UN Millennium Development Goals, those related to the 2002 World Summit on Sustainable Development, and the Summit Meeting on UN Reform, 2005.
- Advisor to the United Nations Environment Programme on their Global Environmental Outlook – 3 (GEO-3) Report.
- Team leader for RING Internal Assessment and Institutional Learning Exercise.

### **International Center for Trade and Sustainable Development (ICTSD),**

Geneva, Switzerland

2000 to date

- Assisted on projects related to developing country negotiation priorities and strategies in World Trade Organization (WTO).
- **Research Director** for the ICTSD/IISD/RING project on Developing Countries in Trade and Environment Negotiations. The project convened a series of high-level consultations with developing country negotiators and experts to produce two edited books: *Trade and Environment: Visions from the Developing World* and *Trade and Environment: A Resourcebook*.

### **Center for Global Studies, University of Victoria, Victoria, Canada.**

2000 to date

- Serve on the **International Advisory Board** of the Center and have been involved in various Center projects.
- One of the E-7 (a panel of seven ‘eminent’ advisors) convened by the Center (2000-2002) to advise on a project which sought to develop and disseminate practical recommendations for the reform of global governance institutions.
- Served as member of various working groups established to advise (the) Canadian Finance Minister Paul Martin in the establishment and agenda for the ‘Group of 20’ finance (2002) ministers and later (2003 to date) Canadian Prime Minister Paul Martin on the possible establishment of a ‘Leaders 20’ group to bring together heads of states from developing and industrialized countries.

### **International Institute for Sustainable Development (IISD), Canada/Switzerland.**

2002 to date

- **IISD Associate** since 2003.
- **Research Director** for projects on “Reforming the Global Environmental System: Towards Practical proposals” (2005-2006), “Environment and Globalization” (2006), and “Designing a UNEP for Tomorrow” (2007).
- Appointed to the **Expert Advisory Group on Trade and Environment Research**, International Institute for Sustainable Development (IISD), Canada, 2003-2004.
- **Research Director** for the ICTSD/IISD/RING project on Developing Countries in Trade and Environment Negotiations. The project convened a series of high-level consultations with developing country negotiators and experts to produce two edited books: *Trade and Environment: Visions from the Developing World* and *Trade and Environment: A Resourcebook*.
- **Team member** on research study on “Trade, Aid and Security” (2002-2003).

### **Pakistan Centre for Philanthropy, Islamabad, Pakistan.**

2003 to date

- **Research Director** for a major study on giving and volunteering by Pakistanis in America. The report of this study, the first of its kind, released in Pakistan in late 2005 and published as a book in USA in 2006 (*Pakistanis in America: Portrait of a Giving Community*).

### **UBUNTU Initiative: World Forum of Civil Society Networks, Barcelona, Spain.**

2002 to 2004

- **Steering Committee Member** for the Initiative for the In-depth Reform of International Institutions.

### **Stockholm, Environmental Institute – Boston Center, Boston, Mass., USA.**

2001 to 2003

- One of two **Team Leaders** for the United Nations Environmental Programme (UNEP) project on Civil Society contribution and potential for sustainable development. Undertaken jointly with the RING for Sustainable Development, the project was part of the preparations for the 2002 World Summit on Sustainable Development. The project led to a seven volume set of books titled *Civic Entrepreneurship: Civil Society Perspectives on Sustainable Development* (co-author of volume 1 and co-editor of volumes 2-7).

### **Regional Centre for Security Studies (RCSS), Colombo, Sri Lanka.**

1999 to 2003

- **Project Director**, for Environment and Security in South Asia component of an Asia-wide research initiative on Non-Traditional Threats to Security. The project resulted in the book *Environment, Development and Human Security: Perspectives from South Asia*.

### **World Conservation Union (IUCN), Gland, Switzerland**

1994 to 1999

- **Member of International Advisory Team** for project on Monitoring and Assessing Progress Towards Sustainability. The action-learning approach was developed in field projects in Colombia, Zimbabwe and India.
- **Member** of the Ethics Working Group of the IUCN Commission on Environmental, Economic and Social Policy (CEESP), 1997-1998. **Member** of the Climate Change Task Force and the Environmental Security Task Force of CEESP, 1999.

### **Environmental Technology Programme for Industry (ETPI), Federation of**

**Pakistan Chambers of Commerce and Industry (FPCCI), Karachi, Pakistan** 1996 to 2001

- **Environmental Communication and Institutional Support Specialist** for the preparation of a communication strategy, and a dissemination and institutional support implementation plan for this major 5-year (Dutch funded) initiative to facilitate adoption of environmental technologies by Pakistan's industrial and manufacturing sector.

**Human Development Foundation—North America (HDFNA), Washington, D.C., USA** 1998

- **Consultant** for designing a five-year investment strategy and work plan for an integrated human development initiative in Pakistan. The project has since been launched and is seen as a model human development program. The project has also been the inspiration behind the President's Task Force on Human Development.

**Program on Non-Profit Organizations (PONPO), Yale University, New Haven, CT, USA** 1995

- **John D. Rockefeller 3rd Summer Fellow** working on nongovernmental organizations (NGOs) in international environmental policy.

**MIT Chlorine Project, Program for Environmental Engineering Education and Research, Massachusetts Institute of Technology, Cambridge, Mass., USA** 1995-96

- As **Graduate Research Fellow** worked on the development and testing of a negotiation simulation on the management of organochlorines. The simulation was played at the 1996 MIT Chlorine Conference.

**International Institute for Applied Systems Analysis (IIASA), Laxenburg, Austria** 1994

- Summer **Research Associate** in the *Implementation and Effectiveness of International Environmental Commitments* project. Research focus: environmental compliance in South and implementation theory.

**Union of Concerned Scientists, Cambridge, Mass., USA** 1993

- **Research Intern** focusing on environment-population-development interactions. Assisted in a synthesis position paper on the subject and wrote a briefing paper on environment and development.

**Center for Risk Analysis, Harvard School of Public Health, Cambridge, Mass., USA** 1993

- **Research Assistant** for literature search on cost effectiveness methodologies for life-saving programs.

**Center for Technology, Policy and Industrial Development (CTPID), Massachusetts Institute of Technology, Cambridge, Mass., USA** 1992

- **Research Assistant/Staff Researcher.** Conducted research on the ecological life-cycle analysis of industrial use of polyvinyl chloride (PVC). Part of MIT team for a multi-disciplinary study on industrial ecology of chlorine.

**Esquel Foundation, Brasilia/Fortaleza, Brazil** 1992

- **Research Consultant** for the International Conference on Sustainable Development (ICSD).

**Pakistan National Conservation Strategy Secretariat / World Conservation Union (IUCN), Islamabad, Pakistan.** 1989-1991

- As **Communication Officer** worked on the preparation of the Pakistan National Conservation Strategy (PNCS), a cross-sectoral national policy review for sustainable development which was then adopted by the government of Pakistan as the national policy.
- Authored the PNCS Strategy for Environmental Communication.
- Developed a communication strategy for sustainable development, interacted with international agencies, assisted in research, costing and writing of the Strategy and drafted section on Environmental Education, Legislation, Institutions, and Communication.
- On the panel of authors of the National Report on Environment and Development, submitted by the government of Pakistan to the 1992 United Nations Conference on Environment and Development (UNCED).

**U.S. Agency for International Development (US AID), Islamabad, Pakistan.** 1991

- **Environmental Consultant and Technical Advisor.** Provided script outline, technical advice, environmental framework and review for major TV docu-drama on Pakistan's environmental problems.

**Media** On-going

- **Press:** Have been affiliated with various news publications in Pakistan on a semi-regular basis since 1979 and written extensively for the leading periodicals including *The Muslim, The News, The Nation, Herald*, etc. Have also written regularly for environmental periodicals including *The Earth Times* (USA) and *Down to Earth* (India).

- **Radio:** Public radio presenter of series on sports, science, environment, and development, 1983-1991.
- **Television:** During 1988-91, anchored discussion shows on education, sports and current affairs. This included a national series on environment and development and a popular talk-show. Awarded medal for outstanding performance as television presenter (1990).
- **International Media:** Have been interviewed frequently by international print and electronic media on issues relevant to my expertise. Recent television and radio news appearances have included ABC, CBS, NBC, CNN, PBS, BBC, Russian Television, NECN, National Public Radio (USA), Canadian Public Radio, as well as various regional television and radio networks. Recent newspaper interviews include *Los Angeles Times*, *New York Times*, *The New Yorker*, *Boston Globe*, *Boston Herald*, *Wall Street Journal*, *Washington Post*, *AERA* (Japan), *The Times* (London), *National Post* (Toronto), *Mirror* (London), *Observer* (London), and many other international newspapers. Recent appearances include *Nightline with Ted Koppel*, *Moneyline with Lou Dobbs*, *On Point* (NPR), *Here and Now* (NPR), *All Things Considered* (NPR). My research has been featured in *Chemical Week*, *Nature* and *New Scientist*. Featured in a three-part television documentary 'History of the Future' aired on BBC and PBS in July/September 2001.

## HONORS AND AWARDS

- Lead and Coordinating Lead Author for the Third and Fourth Assessments of the Intergovernmental Panel on Climate Change (IPCC); work for which the **IPCC was awarded the 2007 Nobel Peace Prize**.
- Named a **University Community Fellow** by the University College at Tufts University, 2005-07.
- **The James L. Paddock Award for Excellence in Teaching**, The Fletcher School of Law and Diplomacy, Tufts University, 2004.
- International Political Science Association's (IPSA) **Stien Rokan Award**, 1997.
- MIT's **Goodwin Medal for Effective Teaching**, 1997.
- Nominated to the **MIT Society of Fellows for Sustainability**, 1996-97.
- **Graduate Writing Fellow** in the MIT Writing Initiative, 1996-97.
- Association for Research on Nonprofit Organizations (ARNOVA) **Emerging Scholars Award**, 1995.
- **Graduate Research Fellow** at the Program on Negotiation at Harvard Law School, 1995-96.
- **Kann Rasmussen Initiative in Environmental Leadership Fellowship**, M.I.T., 1995-96.
- **Predissertation Fellowship** of the Academic Council of the United Nations System (ACUNS), 1995-96.
- **J.D. Rockefeller 3rd Fellow** at the Program on Non-Profit Organizations (PONPO), Yale University, 1995.
- **Elected to *Sigma Xi***, The Scientific Research Honor Society of North America, 1993.
- M.I.T.'s **Voorhees Scholarship Award**, 1993-1995.
- **United Nations Fellowship Award**, 1991-1993.
- **Pakistan Television Medallion for Outstanding Achievement**, 1989.
- **Townsend Poetry Award** (United States Information Service), 1988.
- **University Debating Color**, University of Engineering & Technology, Lahore, Pakistan, 1987.
- **National Quaid-i-Azam Merit Scholarship**, 1984-89.
- Islamabad College for Boys: **Elected General Secretary Students Council; Editor magazine; Captain debating team; Best Student Award**. 1980-82.
- **Pakistan Delegate** at International Youth Conference in Turkey, 1979.

## EDITORIAL BOARDS AND SCHOLARLY ASSOCIATIONS

- Appointed on the **Editorial Board** of the journal *Global Governance*, 2006-ongoing.
- **Topic Editor** ('Sustainable Development') for *Encyclopedia of Earth*, 2006-ongoing.
- **Review Editor** for the Global Environmental Outlook (GEO) Report of the United Nations Environment Programme (UNEP), 2006-2007.
- Invited to join the **Environmental Task Force of the World Economic Forum Global Governance Report**, 2005-06.
- Appointed to the **Scientific Committee** of the 2004 Meeting of the International Society for Ecological Economics.
- Elected to the **Nominations Committee** of the Environmental Studies Section of the International Studies Association (ISA), 2002-2004.
- Appointed on the **Editorial Board** of the journal *Ecological Economics*, 2002-ongoing.
- **Advisory Board**, *Yearbook of International Co-operation on Environment and Development*, 2002.
- Appointed on the **Editorial Board** of the journal *Nonprofit and Voluntary Sector Quarterly*, 2000-ongoing.
- **Editorial Advisor** to the book series *Annual Editions: Environment* by McGraw Hill-Dushkin Publishers, 1999.
- **Associate Editor** of *Environmental Impact Analysis Review*, 1995-1997.
- **Contributing Editor** to *The Earth Times* (New York), 1994-95.
- **Associate Editor** of *Concordare*, newsletter of the International Environmental Negotiation Network, 1991-94.
- **Memberships (current and prior)**: Institute of Engineers, Pakistan; Pakistan Engineering Council; American Society of Civil Engineers (ASCE); Society of Environmental Journalists (SEJ); Association for Research in Nonprofit and Voluntary Associations (ARNOVA); International Society for Third Sector Research (ISTR); Society for International Development (SDI); Academic Council of the United Nations System (ACUNS); International Studies Association (ISA);

International Political Science Association (IPSA); American Political Science Association (APSA); Pakistan Council for Social Sciences (P-COSS); International Society for Ecological Economics (ISEE).

## ADVISORY POSITIONS

---

- Appointed to the **Board of Advisors** of Americans for Informed Democracy (AID), 2006-ongoing.
- Appointed to the **Advisory Board** of Institute for Global Leadership (IGL), Tufts University, 2005-ongoing.
- Appointed to the **Expert Group on Environment and Conflict Prevention** of the United Nations Environmental Programme (UNEP), 2004-06.
- Appointed to the **Faculty Advisory Board** of Global Development and Environment Institute (GDAE), Tufts University, 2004-ongoing.
- Invited to join **advisory group** established by Canadian Prime Minister Paul Martin on the possible creation of an L20 (a permanent mechanism for heads of state from key countries to meet annually), 2003 to date.
- Appointed to the **International Advisory Board** of the Pakistan Center for Trade and Sustainable Development (PCTSD), 2003-ongoing.
- Appointed to the **Expert Advisory Group** on Trade and Environment Research, International Institute for Sustainable Development (IISD), Canada, 2003-2005.
- Invited to join **advisory group** established by Canadian Finance Minister Paul Martin on possible agenda priorities for the G20 (a permanent annual meeting of finance ministers from 20 most important economies), 2002.
- Appointed to the **Steering Committee** of the UBUNTU World Initiative for the Reform on International Institutions, 2002-2004.
- **Advisory Board**, Fredrick Pardee Center for the Study of the Longer-Range Future, Boston University, 2002.
- Appointed to the **President of Pakistan's Special Task Force on Human Development**, 2001.
- Invited to serve on the **International Advisory Board** of the Center for Global Studies, University of Victoria, Canada, 2000-ongoing.
- **Member Grants Advisory Committee** of the Aspen Foundations Non-Profit Sector Research Fund, 2000-2001.
- Invited to join the **Consultative Group on Sustainable Development Indicators**, 1999.
- **Elected Director on Board of Governors** of the Pakistan Institute for Environment-Development Action Research (PIEDAR). 1998-to date.

## OTHER PROFESSIONAL ACHIEVEMENTS

---

- Invited to deliver the **commencement address** to the graduation ceremony of the Global Masters of Arts Program (GMAP), The Fletcher School of Law and Diplomacy, Tufts University, 2007.
- Invited to present a **keynote address** to the "Theory and Research Group" of the Association for Research on Nonprofit and Voluntary Association (ARNOVA) Annual Convention, 2006.
- Invited to present a **keynote address** to a gathering of 40 Environmental Ministers and delegations heads in preparation for the Conference of the Parties meeting of the UN Climate Convention, Ottawa, September 23, 2005.
- Invited to present a **keynote address** on the Millennium Development Goals (MDGs) to a gathering of 15 ex-Presidents from Africa at the African Presidential Archive and Research Center, Boston University, April 12, 2005.
- Invited to deliver the **commencement address** to the graduation ceremony of the Fletcher School of Law and Diplomacy, Tufts University, 2004.
- Appointed **Coordinating Lead Chapter Author** for Fourth Assessment Report of the Intergovernmental Panel on Climate Change (IPCC), 2004-2007.
- Appointed **Associate** at the International Institute for Sustainable Development (IISD), Canada, 2003-ongoing.
- Invited to deliver the **commencement address** of the departmental graduation ceremony of the Center for Energy and Environmental Studies (CEES), Boston University, 2002.
- Appointed **Lead Chapter Author** for Third Assessment Report of the Intergovernmental Panel on Climate Change (IPCC), 1998-2001.
- Appointed **Visiting Fellow** by the Sustainable Development Policy Institute (SDPI), Islamabad, Pakistan, 1998.
- Selected participant at the 1996 US-Japan seminar of the Japan Association of Mathematical Sciences (JAMS).
- Participated in the Aspen Global Change Institute Summer Science Session, 1995.
- **Fulbright/US State Department Award** to study "Grassroots Democracy in USA", April-May 1991.
